

Every year has great music, but what made 1983 stand out? That year made the radio shake with rock! It had 5 huge albums from 5 great bands to begin with! Motley Crue, Quiet Riot, Iron Maiden, Dio, and Def Leppard had the FM radio waves on fire. Not to mention new bands Metallica, Ratt, Twisted Sister and veteran bands like Whitesnake, Ozzy, Journey and AC/DC. The hit songs kept coming.

1983 actually rocked!!

The band 1983 brings you back to the magic year by playing what you heard then. Throw in a few rocked up surprises like Talking Heads, Duran Duran, Peter Gabriel and others timeless songs, that will leave you saying

“I remember that one!”
