

One team, performing as many of the best tribute bands available

Tribute Tribe is a tight family of seasoned, professional musicians that work together to read the crowd and deliver a great show. Our tribute acts have been enjoyed by thousands at various concert venues, fairs, corporate events, weddings, reunions, holiday parties, and casinos in the Los Angeles area and on tour throughout the United States. We perform music from many different genres, including pop, rock, Latin, and dance music, bringing joy for audiences of all ages with a song catalog that spans from the 70s through current Top 40 hits.

As a singular live music band, we can perform as multiple tribute acts at a given event with minimal turnaround time, providing an almost nonstop live concert experience.

We're not another tribute band talent agency - we are the performing musicians

Current tribute acts include Gloria Estefan, P!nk, Katy Perry, Ricky Martin, genre-based tributes to the 80s, dance music, and much more.
